- **1X TUBE OF SILICON SEALANT**

- **Fitting Instructions**
- We advise that this product is fitted by an experienced motorcycle mechanic.
- Please check packing list before you start.
- Secure motorcycle on level ground using a paddock stand. Recommended!
- Remove standard exhaust.
- Fit the clamp with the new cap screw and insert the pipe on to the collector.

- **Fit the spacer.**

- **Fit the silencer with clamp on to the link pipe and fit the strap around the silencer and to the bracket.**

- **Starting from the front, working rearwards tighten all clamps and fasteners.**
- **Start the engine and check for leaks.**
- **After your first ride out, check all fasteners for tightness, especially the baffle bolt.**
