

KAWASAKI Z800e SILENCER KIT

- **PACKING LIST:**
- **1X LINKPIPE**
- **2X CLAMPS**
- **1X SILENCER AND STRAP WITH RUBBER INSERT**
- **1X TUBE OF SILLICON SEALANT**

- **Fitting Instructions**
- **We advise that this product is fitted by an experienced motorcycle mechanic.**
- **Please check packing list before you start.**
- **Secure motorcycle on level ground using a paddock stand. Recommended!**
- **Remove seat and side panel.**
- **Disconnect exhaust valve cables from the servo.**

- **Remove standard silencer.**
- **Clean the collector pipe of old gasket material, dirt and carbon deposits.**

- **Smear a small amount silicon sealant on the inside of the link pipe and insert onto the collector.**

- **Fit the silencer with clamp on to the link pipe and fit the strap around the silencer and to the footrest bracket.**

- **Check rear brake pedal clearance.**
- **Starting from the front working rearwards, tighten all clamps and fasteners.**
- **Start the engine and check for leaks.**
- **After your first ride out, check all fasteners for tightness, especially the baffle bolt.**
